RETAIL MERCHANDISING

Volume 5

TRU-VISION PLASTICS INC.

401 W. Blue Bell Rd. 77833 * P.O. Box 653 77834
Brenham, Texas

In July of 2011, **Tru-Vision Plastics, Inc.** moved. Our address is:

**401 W. Blue Bell Rd.
Brenham, TX 77833**

Our new manufacturing and warehouse facility measures over 80,000 square feet which allows for our continued growth and innovation.

This move has provided us with the opportunity to obtain equipment that has enabled us to expand our capabilities with the *Stic-N-Pic®* adhesive strip.**

We are excited about the increased potential to better serve our customers needs.

...With God All Things are Possible. Matthew 19:26

TRU-VISION PLASTICS INC.

401 W. Blue Bell Rd. 77833 * P.O. Box 653 77834
Brenham, Texas

TRU-VISION PLASTICS INC.

Is a Christian based, privately held company founded in June 1999.

We are an innovative company with extensive equipment and material knowledge. We have over forty years of combined management experience and over fifty years of combined production experience.

We created and manufacture the **Stic-N-Pic®**** retail Merchandising display strip system which has patents across the globe. It is through this experience, innovation and skillful ability in design and engineering that we are able to work with our customers to develop products to meet their needs.

MISSION STATEMENT

We are here to supply our customers with high quality products in a timely and professional manner. We strive to provide value for our customers, while maintaining an adequate profit for our company. We offer employees an excellent work environment where they are treated as partners and have the opportunity to grow in responsibility and compensation.

**We continue to prove that we are your
TRU source for die cut plastic products.**

COMPANY MOTTO

Precise, Specific, Detailed, Accurate...All Things Matter!!

Ted Dean - President
Jose Rios - VP/Production

STIC-N-PIC®** SERIES

The Stic-N-Pic®** series is perfect for a wide variety of packages with or without hanging holes.

Fast and easy to load by hand, just Stic your product to the special adhesive spot and press firmly. Faster and easier yet, load with our Semi-Automatic Auto-Stic Machine. (See page 10)

Ideal for preloading because the special adhesive holds your product firmly in place during shipment. Merchandise can easily be reattached by the customer or store employee. Displays will always look great.

With this revolutionary design only your product will be visible because the Stic-N-Pic®** is virtually invisible.

Different packaging materials adhere differently and the weights listed in the descriptions on the following pages are based on product weights that have been tested on each strip.

We offer a free evaluation of your products to insure the best results.

Auto-Stic Machine

The Auto-Stic machine was developed to be used with Stic-N-Pic®** strips for a faster and more consistent application.

Our feed system on the Auto-Stic machine can position the adhesive segment for any almost any size and make up of strip precisely time after time.

Our newly updated pneumatic system will guarantee consistent application of your product to the strip accurately and efficiently.

With the implementation of our Auto-Stic machine in conjunction with our Stic-N-Pic strips, you will see substantial labor savings over traditional retail merchandise strips.

Videos can be viewed on YouTube
Just search "Stic-N-Pic Tru-Vision"

- Purchase price- \$8999.00 F.O.B. Brenham TX.
- Lease with option to buy- \$275.00 per month with three month minimum and initial purchase of 14 rolls of VS9R6M24_1.8 strips, or 24 rolls of any other strip.¹
- Set-up and training- 4 hours of set-up and training will be provided with any of the above options. Extra days will be charged at \$350.00 per day plus expenses.

¹ Term of lease- The term of this lease shall be from the date the equipment is delivered to Lessee (the "Commencement Date") for a period of three month, (the "Initial Term"). If Lessee retains possession of the equipment after the expiration of the "Initial Term", this retention of the property by lessee will be deemed to constitute a further lease of the equipment month to month at 100% of the rental rate set out herein. In the event of such a holdover, all other provisions and conditions of this Lease continue unchanged. The "Initial Term" will be billed one-time, \$750.00 payable in Net 30 day terms. Retention time will be billed \$275.00 per month, plus tax (if applicable), billed on the day of the "Commencement Date". The Lessee has the option to purchase the machine for the difference of the total purchase price and the amount paid up to that point in the lease. After leasing for 36 consecutive months, the Lessee will retain full ownership of the machine.

We have expanded our capabilities with the Stic-n-Pic® Strips.**

**Our standard strip is 24" (61 cm) long and .833"
wide with 6 or 12 stations.**

**Our round adhesive size:
11/16" (1.7 cm) round.
19/32" (1.5 cm) round.**

**We can now produce the above sizes of adhesives
with custom numbers of segments per strip
(odd or even amounts) and custom lengths of strips.**

**For example: You might want a 24" (61 cm) strip with
7 segments, a 25" (63.5 cm) strip with 6 segments,
or a 26" (66 cm) strip with 10 segments.**

There are multiple combinations to fit your needs.

Prices will be given with each order of custom strips.
